Sucker for men with good

Gangroids kings getting no respect out here F

was just a month and a half. I was going on dates with a guy for the past almost 3 months and he got mad that I wasn't committing to a relationship so he ended things and the very next day I found out he was doing coke and taking steroids behind my back after I made it clear I was against drug use 😂 I don't trust anyone and that's exactly why I didn't invest after only a few months

Report

If you actually committed to a relationship I'm sure he'd give it

Waitin On You (feat. Tonk)

1

8

I need to hear your voice again

Your rejoicement to my soul, it feeds it just like oxygen

Can you hear me, Father?

Can you please send me some signs?

I've been goin' through some things, there's been a lot on my mind

Can you hear me, Jesus?

I need to hear your voice again

And I will keep on praying, and I promise I'll be waitin' on you

Waitin' on you

God, I promise that I'm waitin' on you, you

I promise that I'm waitin' on you (I promise that I'm waitin')

Saw a shrine to Kek in front of a home in Portland, Oregon(deep libtard territory) perhaps a safe haven shelter for kings? This must be like what Harriet Tubman felt like when she was travelling the Underground Railroad and saw the quilts

Wtf this is wrong with the Biden family lmao

Hunter was taken to a downtown LA homeless encampment, where someone pulled a gun on him — but he nevertheless returned several more times that week to buy drugs.

He then got into a fight outside a Hollywood Boulevard nightclub, and a man nicknamed "Baby Down" took pity on him and deposited him at a Hertz car rental office.

Hunter took his rental car to Arizona, where Hertz workers called the cops after finding a crack pipe and a baggie containing a "white powdery substance," along with a Secret Service business card. Hunter's driver's license and a badge from *Don't Tread on My Ass* were also found inside.

my nipples are a little puffy, I'll put on an ice pack while doing my stomach vacuums. I can do a thousand now. After I remove the ice pack I use two scoops of a deep pore cleanser lotion. In the shower I use four scoops of whey isolate, then ten scoops of creatine monohydrate, and after my shower eighteen scoops of mutant mass. Then I inject twenty scoops of Real Food directly into my intestines which I leave to digest for ten minutes while I prepare my synthol injections. I always use a synthol solution with little or no alcohol, because alcohol dries your muscles out and makes you look older. Then HGH, then test, tren, mast, deca, equipoise, npp followed by d-ball, winny, superdrol, and finally a shot of HCG. There is an idea of a Rich Piana. Some kind of abstraction. But there is no real me. Only an entity. Something illusory. And though I can hide my cold

The 22 Year Old DRUMPFTER

Electing Trump in 2016 was the only thing he'd every actually cared about

Scared to wear MAGA hat in public

"Trump reminds me of my dad"
Loves his dad

Trust the plan haha..haha

Feels like he owes Trump something, he doesn't

Clinging to nostalgia and the emotions Trump evoked in 2016

His followers thinks his support is ironic

Legitimately gets angry at potatoe Trump meme

Considering becoming apolitical because he's so disappointed and can't bring himself to hold Trump accountable

The Virgin Hoenn	The Chad Johto
Defeats champion (8th gym leader), literally no one cares. Wears oversized coat, despite greatest drought in history Made by first-timer Junichi Masuda, it shows Every playthrough uses the same 10 Pokemon. Post-game is just battling Pokemon for all eternity. IGN 7.8 "Too Much Water." Already easy, remakes somehow even easier by literally just giving you a powerful legendary halfway through. Rad tan from too much time at sea. Rivals are a sickly kid you see 3 times and a boring know-it-all	Decided beating every gym leader and champion wasn't enough, defeated other region's gym leaders and whooped greatest trainer in history Challenging, remakes are even harder. 10/10 IGN "As awesome as the original Pokemon Gold and Silver blow it away in gameplay elements, features, and goodies." Healthy skin tone from variety of outdoors activities Wears shorts even in icy caves and forest weather Tajiri intended it to be final game, made damn sure it would be the best. Invented timeless classics, such as Typhlosion, Tyranitar, Ampharos, and Aipom, just to name a few. Invented female trainer so that Stacey could play too. Starts you off with weak Pokemon to toughen you up, rewards you with better Pokemon in Kanto.

the early 1800s doomer

life swings like a pendulum backward
and forward between pain and boredom

to live alone is the fate of all great souls

to marry means to
halve ones rights
and double ones dutieswe forfeit three
quarters of our
freedoms to be
like other peoplethe brain may be
regarded as a
kind of parasite

Did I just cuck myself?

- >went to store 1 hour before closing
- >gather my shit and head to the checkout
- >cashier solid 7/10

- >start casual conversation about assholes who come in 5 mintues before closing, and about our non-existent weekend plans

- >she says "you know, my shift is almost done"
- >me "alright! have a good weekend, bye!"

+ Should you pick the path of Cavaliere, any time you set foot in a gym, you will find Jeff Cavaliere there to give you expert coaching. With his help you will Train Like an Athlete™ and become so athletic that you will be competing for world records in any and all sports within a year, as well as an elite level men's physique. Your athletic prowess will earn you fame and fortune and almost any girl of your choice. Your abilities and physique also do not decline with age until well into your 70s. However, should you pick this path, you must spend at least 8 hours every single day performing band face pulls (NON NEGOTIABLE). Should you fail to fail to do this even once, your rotator cuffs will become eternally snapped, leaving you crippled and unable to even lift your arms to feed yourself or wipe your ass. You must also take care never to perform an upright row, as this will cause the same result.

+ Upon choosing the path of Piana, you are instantly transported to Venice Beach where you will be roommates with Rich Piana. This gives you access to loads of drugs, steroids, sports cars and hookers which you can partake in as much as you like. Every train with Rich, where you will make quick gains and obtain ungodly arms. You will also become an adored figure of the online fitness community, shilling supplements and becoming a beloved meme. After 20 years on the path, Piana will reveal to you that it is now time to Leave Humanity Behind. He will take you deep underground to the hall of his fellow Mutant™. Everyone you knew and loved will think you are dead, and you will spend the remainder of your years injecting becoming an ever more mutated synthol freak until you finally die of an exploded bicep.

+ To choose the path of Grizzly, you will travel to a remote cave in the mountains of Greece, where you will meet Kyrilakes Grizzly. He will put you through a grueling regime of unconventional lifts and eating at least 20,000 calories per day until you reach a bodyweight of 200 kilograms. Once this is accomplished, Grizzly will share with you his secrets of ungodly bloat. You will now bloatmog, wristmog, skullmog, BMmog and cholestero/mog everyone you meet, even surpassing Grizzly himself. You will be the strongest man in the world and unbeatable in a fight. Most women will view you as a freak, but you will find at least a 6/10 wife. You will have to deal with the normal medical consequences and shortened lifespan of weighing over 250 kilograms at your peak weight.

+ Should you choose the path of Genova, you will become a character on the Delray Misfits. You will have the chance to train with Lenny, Big Rich and all the crew, leaning from their lifting expertise. You will make excellent gains, however you will also lose 20 IQ points immediately, and your physique will always be asymmetrical. Due to your lowered intelligence, you will be constantly happy and deeply content with life. You won't need to worry about work, money or women, you're freaks.

Really wish I trained as a pentathlete when I was younger

The **modern pentathlon** is an **Olympic** sport that comprises five different events; **fencing** (one-touch épée), **freestyle swimming** (200m), equestrian **show jumping** (15 jumps), and a final combined event of **pistol shooting** and **cross country running** (3200m). This last event is now referred to as the **laser-run**, since it alternates four legs of laser pistol shooting followed by an 800m run (for 3200m in total). The event is inspired by the **traditional pentathlon** held during the ancient Olympics; as the original events were patterned on the skills needed by an ideal Greek soldier of the era, the modern

How to Become a Monk

A monk is a person who withdraws from society to concentrate on religious service. Several major religions have monastic traditions, the most notable being Christian and Buddhist. Becoming a monk involves study, devotion, and years of training and transitioning. Monastic life is a simple, dedicated life of servitude, which asks the devoted to live a celibate lifestyle and relinquish worldly goods.

We're the middle children of history, man. No purpose or place. We have no Great War. No Great Depression. Our Great War's a spiritual war... our Great Depression is our lives. We've all been raised on television to believe that one day we'd all have gf, and be bodybuilders, and professional gamers. But we won't. And we're slowly learning that fact. And we're very, very pissed off.

After I graduate this spring. I will dedicate next year to the Mogollon Monster. Me and my brother will find and subdue this cryptid

Page issues

The **Mogollon Monster** ([/mɑːɡɔːljən/](#) or [/moʊɡeɪˈjoʊn/](#))^[1] is a [legendary creature](#) that has been discussed in accounts from central and eastern [Arizona](#) along the [Mogollon Rim](#). It is most often described as a [Bigfoot](#) or [ape](#)-like creature, but descriptions vary.

Reports of footprints, video, and hair samples have been documented by enthusiasts, but no [conclusive](#) evidence has been found to date. Mainstream [biologists](#) remain skeptical to the existence of such a creature.

For better or worse, fascism has developed a body. But this body is still lacking a soul. It is still lacking the superior power needed to justify it, complete it, make it rise to its feet as a principle opposed to all of Europe.

Not exactly the marrying type

If I love someone enough one day
I'll officiate our love in some way
but I don't think I'll ever get
officially married because that's
a lot of bullshit if it falls apart and
I don't trust people enough so
yeah

Interesting play on words: YT (Young Thug) and white tee. This connects with the next line, where Thugger makes the double entendre "crew cut" which references both the t-shirt style and the fact that this song has his crew on it, so it's a crew cut. Meaning 1: This single is a smash

Can't take back the love that I gave you

She say she ready to pull up
As soon as I get there, walk in
I'ma put her in a full nelson

ARTIST ✓
Lil Baby 973

10 months ago

Full nelson. Put your arm behind your back, you know what I'm saying? Take her ass to the studio. Well, actually, she didn't pull up that night either. But the full nelson don't go for Deja. It goes for anybody. When I get there, you going in a full nelson. That's how I move.

Thank God

basketball players. Average height in European countries closely correlates to the rate of death from heart disease. Swedes and Norwegians, who average about 5-foot-10, have more than twice as many heart attacks as the Spaniards and Portuguese, who have an average height just north of 5-foot-5. Tall people rarely live exceptionally long lives. Japanese people who reach 100 are 4 inches shorter, on average, than those who are 75. The countries in the taller half of Europe have **48 centenarians per million**, compared to 77 per million in the shorter half of the continent.

"Young Thug isn't lyrical"

(Verse 3: Young Thug)
Call yo bitch and tell her I need some me-
chanical
Plus she make me stand out like a ruler
Even tho I don't got all my strolls
I'mma pull up on lil momma with a doors
off
I'mma treat myself and buy myself a rollie
Then I walk into a party full of cougars,
slow
This just might be an interesting YT
Yeah nigga, this a crew cut
Crew cut, momma say yo crew cut

"Flava" by Rich Gang

This just might be an interesting YT

Unreviewed Annotation by kazir [more](#)

Interesting play on words: YT (Young Thug) and white tee. This connects with the next line, where Thugger makes the double entendre "crew cut" which references both the t-shirt style and the fact that this song has his crew on it, so it's a crew cut. Meaning 1: This single is a smash

RAP GENIUS [Open in App](#)

Crew cut, momma say yo crew cut

Unreviewed Annotation by YiggyAssHaircut [more](#)

Triple Entendre

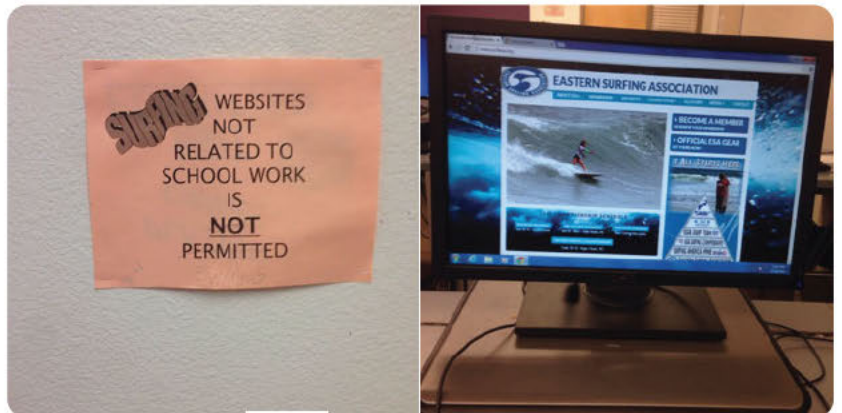

Here, the words "crew" and "cut" have several meanings:

1. The crew-cut collar of a plain white tee shirt.
2. A horse track, or a cut off his crew.

since feeling is first
who pays any attention
to the **syntax** of things
will never wholly kiss you;

5 wholly to be a fool
while Spring is in the world

my blood approves,
and kisses are a better fate
than wisdom

10 lady i swear by all flowers. Don't cry
—the best **gesture** of my brain is less than
your eyelids' flutter which says

we are for each other:then
laugh,leaning back in my arms

15 for life's not a paragraph **A**

buy based god mugs, tshirts and magnets

Refers to the rapper Lil B. Based includes having many hoes, being a mansion, swagging to the maximum, and looking like Jesus. Thereupon, Lil B, the based god, is the god off all the above events.

"OMG BASED GOD YOU SWAG TO THE MAXIMUM, YOU CAN FUCK MY BITCH BASED GOD"
